1. I am coming and I am coming in torrents of glory. I am coming in torrents of glory and My people who have longed for Me and longed for My glory, longed to see My power and operate in My authority will see Me, see My power and operate in My authority and long to be with Me more. More, more, they will long for Me and they will call My name. They will call My name and beg for My appearing and look for My appearing and talk about My appearing and as I appear, they will be glad. They will be sad. The receivers will receive, the rejecters will reject, and those who I would have at My knee, who I died for and I embraced and who came through Me will reject Me. Those, those who I still hurt for and those who I still intercede for and those who I still pray and die for daily, I love you.
2. Those who reject Me still I love and those who receive Me I love even more and I come and I call and I conquer their qualms. I quell their fears about nuances, doctrines, and dogmas, dividers which separate and delineate Me from My Mine.
3. I love you and I come and I call and I come. Watch Me. Be ready for Me. I come in torrents, I come in waves, and I wash, I wash the unclean clean, and I wash the clean transparent. Watch Me. Watch Me. Watch Me.
4. Wash Me, wash My Mine, wash over My body with My blood and My pure water, making things stainless, stainless, new, afresh, and all about Me. I love you.
5. Come now. Think it not strange **My gargantuan vocabulary which grows and increases and increases to words I make up, words you make up**, words that foible not the fashion and form of the new things I am doing.
6. But formulating the fortunulas (fortune/formulas?) that I come now and call, place upon the head and hearts of My open to Me--My open to Me now arise and arise in fullness, receiving blessings dreamed about, imagined, never before realized, never walked into the fullness, breadth, and depth that I do now My people; My people royal arrayed in raiment of only Me. Watch Me and prepare. My Mighty Many come forth, My Priesthood of All Believers.
7. **Never tire of Me. Never tire of Me talking about My Priests, My Priesthood, My Priesthood of All Believers who now come forth anointing, interceding, laying their lives down for others, in life, in life, interceding for their seed, for those they lead. Watch Me. Passing the bread and wine to each other, being the bread and wine for each other. I love you.**
8. I love you and I give you Me. My body, My blood comes forth this day. Watch Me. My miracles, My natural state for My common man, boy and girl. Watch Me, Watch Me. I love you. And be ready, in the twinkling of an eye, My eye, My twinkle, My heart

fashioned fully in the formation of My one and only, My body who was and is and evermore shall be, the receivers, the receivers that is.
9. The rejecters separate eternally, fashioned not, rejecting My form and My fashion, My pattern, My all that I laid before them day after day, coming and calling, conquered not the clock, conquered by idioms and ideologies not of Me.
10. See Me. See Me. Sea Me and mist not. Cover not over your eyes but salve them, salve them, salve them with My salve, My healing, My openness, My transparency to salve you and open you in transparence, transparency you; My Rose of Sharon, My apple of My eye, My body, My body all, My Priesthood of All Believers, receivers royal. I love you.
11. Mature. Ready be. Come, questing into Me, questing into Me intentionally, deliberately, with boldness into My throne room, drink offering'd be and lay before Me, lay with Me and know Me and let Me know you as My one and only. I love you.
12. My divine, My divine ones, My divine ones, My divine ones, I love you. Through Me you came, in Me you were, through Me you are. You come, I call. Receive Me and rejected not be when My time comes, My time in fullness, and the end thereof is. I love you and I give you Me in fullness. Come forth and speak My words. Speak My words. Be ready. Memorize My words. Eat My words, speak My words. Isaiah 59:21 (1) into your veins, into My veins, My arteries, My blood pumping muscles of only Me, of only Me. See Me in My body. See that you are I Am. See what I have given you, placed inside you, empowered you, authorized you, invited you in to, to walk in and become and be a part of, masterfully, masterfully, masterminding My finale. I love you.
13. Steeds of only Me, gallop in Me. I love you.
14. Publishing comes, printing comes, My words flow, My torrents make fountains of flowing beauty now. My youngest to My oldest empowered by Me. Watch Me and inspiration be to Me, for Me, to each other, for each other, My body one working as one as I intended, diabolically not, diametrically opposed and inverted controverted to most ways so accepted, so accepted, even in those who think they know Me so well. I love you.
15. Now formulate Me at every meal, form Me at every meal and be Me at every scene, at every step, in every touch, in every encounter, in every conversation and look for Me. Listen to Me, listen for Me, see Me through the eyes of those My body, and into Me see and receive that which I have for you this day, My receivers royal. I love you. I bless you. Good night.

Footnote:
1. Isa 59:21 "As for me, this is my covenant with them," says the LORD. "My Spirit, who is on you, and **my words that I have put in your mouth will not depart from your mouth, or from the mouths of your children, or from the mouths of their descendants from this time on and forever," says the LORD.**
